Sacred Hearts Academy is seeking an enthusiastic, energetic, and technology-savvy teaching professional with strong subject area knowledge in robotics and engineering. A background in engineering and expertise with VEX IQ Robotics are desired but not required.

We seek highly-motivated individuals with a keen interest in developing and instructing elementary school robotics & engineering courses and supervising after school VEX IQ robotics teams.

Required:
- Experience teaching Science, Math, and/or Engineering at public/private schools
- Excellent public speaking, presentation, teamwork, and social skills.

Desired:
- Background in robotics
- Knowledge in coding
- Robotics instruction experience

**POSITION RESPONSIBILITIES**

- Teach two to three elementary school robotics & engineering course per day
- Be present in the Robotics Lab II for after school VEX IQ robotics teams and supervise each team and their members
- Assist Robotics Director with other robotics related program if needed
As a Catholic, independent school for students in grades Pre-School to 12, Sacred Hearts Academy provides an outstanding college-preparatory education for young girls. Caring teachers, small classes, a rich and varied curriculum, and lively, enthusiastic students make the Academy unique. Along with its quality academic program, the Academy focuses on character and values, cooperation, mutual respect and service. Our school is a place where young women learn to listen, question, challenge, probe and gain the knowledge and confidence that will allow them to think for themselves and make good decisions. We believe that excellence in education enables students to value themselves as individuals, while at the same time, prepares them to participate with confidence in a complex and changing society. The Academy is accredited by the Western Association of Schools and Colleges (WASC), Western Catholic Education Association (WCEA) and the Hawai‘i Association of Independent Schools (HAIS). It is a given that the girls at Sacred Hearts will receive an outstanding academic education, but most important, the faculty, staff, alumnæ and families value the fact that the students are surrounded by people who care about them and care about one another.
